

Top Talent. Remarkable Results.

Your MBA / MO-PEP Is Pleased To Offer Omnia Target Reports To Help You Make Better Hires

Your MBA knows how hard it is to find good people. That's why we're pleased to partner with Mark "Sparky" Levy of Revenue Development Resources to offer you access to the Omnia® Target Profile! Based on the same technology as the Omnia® Profile, the Omnia® Target Profile offers:

- An easy-to-read graph and a clear, non-clinical discussion of the candidate's strengths and challenges with each report.
- The report also focuses on the candidate's level of assertiveness, communication style, attention to detail, pace, job compatibility rating and more
- No training required – comprehensive, easy to read reports
- Use for Media Sales / IT - Engineering / Administrative
- Results returned to you within 48 hours

As a benefit for carrying your MBA MO-PEP announcements, each member's address is eligible to receive up to 5 of these profile reports, valued at \$75 each at NO CHARGE through April 30th, 2014. We encourage you to give every potential hire a Target Profile. **HOWEVER**, only those that you ask to **have scored** will be counted towards the amount you have to use.

Need more than 5? While they last, order directly from you MBA for just \$15 each!

Here's how it works:

1. **Visit:** www.OmniaGroup.net/broadcasters
2. **Request Account Set Up** – complete this form to start the process, and we will get your account set up for you.
3. **We Will Call You!** – You will receive a call from us within 24 business hours to show you how to start profiling your candidates.
